HOPEGATE WELCOMES BOARDMEMBER!

Dr. Tyson Wahl I have served as the lead pastor of Crossroads Family Ministries for the past 13 years and served as assistant pastor for additional 10 years prior. I have been married to Heidi for 29 years. I am an adjunct professor at Davis College, as well as an avid motorcycle rider and 3rd degree blackbelt in Taekwondo.

HOPEGATE WELCOMES NEW VOLUNTEERS!

Ed Dawejko (Athens Advocate) I came to Sayre from Philadelphia almost 50 years ago. I retired as an industrial electrician this past year. I have been married to my wife Carla for 27 years and have two children, three step children, 11 grandchildren and three great-grandchildren. I attend Crossroads Family Ministry. I was a Boy Scout Leader, an NRA instructor for the Youth Hunter Education Challenge and treasurer for the Full Gospel Businessmen's Fellowship International group in the Valley. My wife and I love to go camping and kayaking, and we are the Directors of a local chapter of motorcyclists. I want to volunteer for Hopegate because I enjoy teaching and encouraging youth.

Oliver McKeithan (Towanda Advocate) I am a retired pharmacist. My wife and I live on ten acres just outside East Smithfield with our two Border Collies. I served in the USAF from 1972 to 1976 as a medic and pharmacy technician. We attend the Sayre Christian Church. Our church has supported Hopegate for years through the Baby Bottle Campaign. As a Christian I firmly believe in the sanctity of life and providing alternatives to abortion and as the opportunity presents itself, I look forward to witnessing to the saving power of Christ.

Monika Muzyka (Towanda Advocate) My husband and I have been married for 13 years. We live on a sheep farm with our 5 children. I am originally from south Florida, but personally love the cold and snow of PA. I love to run and lift weights. I enjoy gardening, snuggling sheep, knitting, crocheting, cross stitch, and cheering my kids on in the sports they participate in. I decided to volunteer because I have a heart for babies and I have used pregnancy center services myself in the past. I'm excited to be a part of Hopegate and show my kids how to love like Jesus loves.

Gabe Johnson (Athens Advocate) I was born in Mississippi. When I was 7, my mom and I moved to NYC and my sister and father stayed in MS. My mother and I lived homeless for two years, which led us to a homeless shelter, who helped get an apartment in Brooklyn. My sister joined us, and we stayed there until I graduated high school. I met my wife at Mansfield University. We have three children. After several years of struggles we were baptized at Victory Church in 2024, where we are members. I came to Hopegate to help mentor young men and strengthen families with a foundation of Christ and love. Mentorship has always been an incredibly large part of my own upbringing. I hope to reach out to others the same way that God reached out to me.

Augie Baerga (Canton Advocate) I am a father of two children and grandfather of four. I am a retired Deputy U.S. Marshal and Army combat veteran. I am a grateful believer in Jesus Christ and have served Christian communities in various roles: church sound engineer, greeter and security, in PA, Texas, and Vietnam. I am a protector, and have a deep concern for the promotion of young fathers' roles in the family, based on Christian values, faith in God and the belief that fathers play a critical role in influencing the protection of the unborn.
